June Director's Report (Submitted 6/14/2017)

We are started into Summer and keeping busy!

Interns

Our Summer interns are off to a good start and have finished 1 episode and are almost done with their 2nd. So far they are doing a great job!

Community Events Covered

We've covered lots of events in the last month all detailed in the Employee Monthly Meeting report. We spent a good amount of time helping the City of Mt. Pleasant make a time lapse for Timber Town 2.0 and also flew the drone a lot to document the entire process.

Sporting Events Covered

We covered a few Softball, Baseball and Track meets at the end of the season and are planning on covering a Softball Tournament at the City of Mt. Pleasant.

Charter Path & Playback Equipment

We are tested and prepped on our end. Sue had contacted me and let me know the channel would change on midnight Monday, then they moved it to midnight Thursday (June 15). I plan on being here in order to make sure everything goes smoothly.

Community Presentations

I will present to Clare on June 19th about all aspects of the Consortium and how we plan to move forward without Alma and Shepherd.

Charter Billing

I am still working with Charter on the billing process. Todd was contacting another department and they are supposed to be contacting us. I have everything documented as far as what we have paid and when. I have also passed this on to Karen. I anticipate this being resolved shortly.
